MONTHLY MANAGEMENT REPORT FOR MAY

Submitted to: The Dariu Foundation

Date: May 31, 2026

HIGHLIGHT OF THE MONTH

- **Training Materials** were reviewed and finalized to ensure they are clear, relevant, and effective for use in schools.
- **The distribution of laptops** to schools was coordinated and completed based on requirement, with proper documentation maintained.

STAFF MEMBERS

• **Total Staff:** 5

• **Staff Salary Allocation:** CHF 1,200 distributed among five members. This allocation reflects the organization's commitment to financial transparency and efficient resource management.

OVERVIEW

During May, the team focused on preparing and finalizing training materials to align with program objectives. The materials were enhanced for quality, clarity, and relevance, ensuring they effectively support teachers and students in the learning process.

In addition, the distribution of laptops to schools was carefully planned and executed. Schools were selected based on need, and devices were delivered with proper record-keeping to ensure smooth implementation.

A total of **73 schools across 13 dzongkhags** benefited from the initiative, significantly improving access to digital learning resources and strengthening technology-enabled education.
